Anchorage Police are looking for 12-year-old Charlene Connelly who was last seen at her residence on the 100 block of Patterson on October 27, 2009 at about 11:00 p.m.

Earlier in the evening, Connelly's 16-year-old sister was admitted to a mental health facility. During the process of admission, Connelly's mother was contacted by the 16-year old's boyfriend, Elijah Brewster, who said he was inside their house. He told the mother she would regret admitting the girl. When the mother arrived home, Connelly was missing and is believed to be in the company of Brewster.

Brewster may live at the 4200 block of East 24th, or the 12000 block of Hillside Drive. Anyone with information on either Charlene Connelly or Elijah Brewster are asked to call Anchorage Police at 786-8500.
