Trespassing- Citations Issued to both AP's  
  
AP- Matt Auny  
AP- Derek Jones  
Comp/involved- Walter Nickel (Church Security)

Call came in on trespassers at the above address. I arrived and saw both AP's in custody for trespassing. Nickel said that he observed Matt and Derek kissing and hugging on their property. Nickel told both AP's that he is with Church Security and that they need to leave their property for the behavior and that is unwanted. That is when Derek refused to leave and said "NO, I am not leaving". Other Church Security came and detained both

AP's for trespassing and then called PD.

When I made contact with Matt I asked for his name and he would not give me his name. I then told him that by law he needs to give me his name and DOB. He then gave me his name. He told me that the Security Guards slammed him to the ground. I asked him why they did that? He told that him and his boyfriend Derek had been drinking at the Gallavin Center and they just came through Main St. He said they sat down and he gave Derek a kiss. That is when he was contacted by two guys in suits. He said that he did not know they were Church Security and that he said nobody has the right to tell them to leave on public grounds. He said once he found out that they were Church Security, he told them "NO" that he was not going to leave and to call the Police.

I asked Nickel if they slammed him to the ground ? Nickel said they did not slam him to the ground when they put handcuffs on him.

I told Matt and Derek that it is private property and that he will be issued a citation because he was asked to leave and he told them "No". Matt and Derek were both issued citations for trespassing.

I did not see any signs of injury on either AP's. I could smell alcohol on Matt's breath and he speech was slightly slurred when he spoke to me.
