

DESKTOP DENVER BRONCOS

Peyton Manning

Print out your Peyton Manning Desktop Denver Broncos Quarterback. It will need to be printed on **11x17 paper** (and it will work better with heavier stock paper). Use scissors or a hobby knife and some clear tape to create your own player. Just cut out the helmet and face mask along the inside of the black lines. Then fold along the gray lines and tape together. The folds will work better if they are scored with the back of a hobby knife. The body should stand on its own, and will be ready for game time with the Desktop Manning helmet.
